

# AYSO REGION 17

## 2016 REFEREE CLASSES FOR U10 AND U12 GAMES

As our Fall Season kicks off, Region 17 will again be offering Referee Training for our Volunteers wishing to become Certified Referees. Becoming a Referee is a great way to volunteer for our Region and to help our kids get the most out of their soccer experience. It also allows your team to obtain Referee Points that count towards team standings and progression to the Playoffs. Upon successful completion of the Referee Course, our Regional Referee Administrator will provide each newly minted Referee with a uniform, whistle, and other items needed to successfully referee a game. The Region will also provide on-going mentoring and assistance to our new Referees throughout the season.

There are two types of training available for Basic Referees; Classroom training and an on-line alternative (which also has a single evening classroom component.) Classroom training is recommended for all volunteers new to Soccer. For those who have coached and/or played in the past and have a grasp of the Laws of the Game, the on-line training is usually sufficient. The on-line class is found at [www.aysotraining.org](http://www.aysotraining.org).

Before you come to class, please register as a Volunteer on the [www.eayso.org](http://www.eayso.org) website. In addition, please take the on-line Safe Haven training, which you will find at [www.aysotraining.org](http://www.aysotraining.org). You will need your AYSO Volunteer ID number to do this, which you will find at the eAYSO website that you use to register as a volunteer. Don't hesitate to email [phil.crompton@gmail.com](mailto:phil.crompton@gmail.com) if you have any questions regarding any of these classes.
